

INFANO 1

Code: K751

Description

Colourful play equipment. The design takes its inspiration from the shape of a snail. A high-performance, weather-resistant welded stainless steel construction (no clamps used). The two bent posts are finished with spherical decorative elements so that the appliance resembles snail horns. Walls made of HDPE panels. One wall looks like a counter in the store which gives a lot of fun while playing! Window panels form two other walls. The playground set complies with EN 1176 norm.

Colourful playground sets dedicated to children aged 1-5 years old.

* All stainless steel Limako products are available in galvanized and powder painted version.

Playground device consists of

- 4 x structural pipes (including two bent pipes), finished with spherical decorative elements that resemble snail antennae
- 2 x HDPE colourful window panels
- 1 x colourful counter/table-like panel
