

TURNADO

Code: K101

Description

Playground roundabout with 3 benches, round frame, and circle in the middle.

Playground roundabout with handles and stylistics referring to the shapes of the snail. The spinning carousel is made of stainless steel. Floor made of HPL material. Due to this solution, the roundabout's floor is soft, safe, and anti-slip; it is not heating during sunny days and is not freezing during the winter.

Carousel which provides classic entertainment and a lot of fun with a modern twist.

* All stainless steel Limako products are available in galvanized and powder painted version.

Playground device consists of

- 1x anti-slip platform
- 3x benches
- 1x backrest in form of round frame
- 1x circle in the middle to move the carousel
