

SOMERO 2

Code: CT-IN-02

Description

Square-shaped sandbox with useful tops for making sand pies and strainers for sand sifting. The device is also adapted for use by children in wheelchairs. At the bottom of the sandbox bowl there are attractive elements imitating fossils (shells, bones). The structure is made of powder-coated galvanized steel, resistant to weather conditions and intensive use. The sandbox housing and additional decorative elements are made of HDPE.

Device includes

- Sandbox bowl made of HDPE,
- 4 corner tops in the shape of leaf for making sand pies,
- 2 strainers for sand sifting,
- 3 elements imitating fossils (shells, bones) placed at the bottom of the sandbox bowl.

Technical data

- Dimensions of device (LxWxH): 1,17 x 1,14 x 0,95m
- Dimensions of safety zone: 4,17 x 4,14 m

Material characteristics

- The structure is made of powder coated, galvanized steel,
- Sandbox bowl made of HDPE,
- Additional elements made of HDPE.
